Changes made 1.4 to 1.5

- edited styling of pagination
- replaced (image) with 'X'

Changes made 1.3 to 1.4

- added Display name, Price, Unique ID, Sold label, and 'add to cart' button under displayed attributes.
- changed the aspect ratio from 1:1 to 2:3.
- changed number of images per page from 12 to 9
- changed row/column from 3/4 to 3/3

Changes made 1.2 to 1.3

- moved the custom knife order form to its own page.
- changed 'basic attributes' to 'Display Title'

Changes Made 1.1 to 1.2:

- Changed the Handle Material dropdown option to fill in the blank.
- changed the Blade size dropdown option to fill in the blank.
- Added asterisk (*) to required fields in Custom Knife Request Form.
